Please note: These are revised directions.

- St. Paul's Commons is near the **Glendale Boulevard** exit off the northbound 101 Freeway in the block of Echo Park Avenue between Park and Bellevue avenues.
- **Secured underground parking is available.** Set your GPS for **829 Laguna Avenue, 90026**, to access the gate on the back side of the building (see photo next page) or [click here for a map](#).
- **We are required to park on the garage level accessible only by the Laguna Avenue entrance. Please do not attempt to use the Echo Park Avenue entrance.**
- **Request entry at the gate by dialing 001 and identifying yourself to the receptionist.**
- Walk to the **purple South Building elevator** (see photo following) and take it to the **second floor**. **Note that the purple elevator may be partially obscured by pallets of food to be distributed at the food bank on Fridays. If you see the pallets, you're headed in the right direction!**
- On the second floor, the elevator opens directly into the Jonathan Daniels room. **Please do not use the North Building or Retreat Center elevators.**
- **A receptionist will be available to let you into the garage until about 7:20 p.m.**
- We are working on receptionist staffing for those who park on the street and have to use the front entrance, but that is undetermined at this point. Until we announce otherwise, we recommend that you arrive between 7 p.m. and 7:20 p.m. to park in the garage.
- Questions: Email info@holyspirit-la.org. See future weekly Holy Spirit emails for updates!

Above is the South Building elevator, which goes directly to the Jonathan Daniels room on the 2nd floor. It's at the same end of the garage as the Laguna Avenue entrance. Note that there may be pallets of food for the Friday food bank partially obscuring the elevator. If you see them, don't be deterred; you're headed in the right direction!

Do not use the North Building or Retreat Center elevators!
